## THE BEST OF THE BEST

Dear *Voluptuous*,

Hey gang, how is everyone doing in sunny Miami? I recently received the May '06 Awards issue, and it was absolutely spectacular. In fact, that word is a gross understatement.

Normally, with our contest winners, there's always some controversy. Not in 2005. Congrats to Bea Flora (above, Newcomer of the Year) and Scarlett (left, Plumper) who were uniformly hailed by readers as very deserving winners. As for two-time Model of the Year, Nicole Peters, we wouldn't be surprised if she made it three in a row. Where's Nicole's celebratory pic? Turn to page 13 for nine pages of Nicole in the BBC-II. She doesn't need any more help.

My congratulations to Bea Flora (Newcomer), Scarlett (Plumper) and Nicole (Model), all three of whom were my choices, and to all of the finalists in each category. I just hope you guys were joking about stopping the Model of the Year contest because Nicole seems like a lock for many years to come. That would not be fair to us readers or Nicole.

I also enjoyed Linsey's photos in this issue. She always looks sexy and appealing.—“Ted,” California

## KUDOS FOR SCARLETT

Dear *Voluptuous*,

Just wanted to write a quick note to compliment Scarlett. I greatly enjoyed

her first video—*Horny Plumpers*—and her feature in the May '06 *Voluptuous*. I enjoy a curvy girl, and Scarlett certainly has plenty of curves. She is very deserving of her Plumper of the Year award.—W.A., Massachusetts

## THE BEST HANGERS EVER?

Dear *Voluptuous*,

I have enjoyed jacking off over *Voluptuous* for years, but I never actually thought about what types of photos excite me the most until I voted for Nicole Peters for Model of the Year.

It occurred to me that I get the greatest hard-ons over what I call “hangers”—the pictures in which the model is leaning forward or is on her

hands and knees and her tits are hanging straight down. I searched through lots of back issues and discovered that no model has more beautiful “hangers” than Nicole. Her photos on pages 91, 93 and 95 of the May '06 *Voluptuous* should be proof enough. Model of the Year? Definitely.

I also have a sincere compliment for Desirae, who also has wonderful hangers. I enjoy both giving and receiving oral sex, and I love the taste of pussy. Desirae's mouth looks so inviting and her cunt looks so mouth-watering and delicious that I would vote for her as the girl I'd most like to “69” with if there was such a contest.—C.J., Pennsylvania

**"YOU GUYS OWE ME A BOTTLE OF LOTION!"**

Dear *Voluptuous*,

Holy crap! The June '06 issue! Holy fucking tits on a stick Batman! Geez, you guys owe me a bottle of lotion!

I tore into the envelope and pulled out the mag. I happened to look at the back of the magazine first to see who was inside and behold—a picture of one of my favorites, Lilith! Along with Luma (*mmmm* Luma), and a bunch of other big titted hotties! But who was that on the side? What a huge ass and such a beautiful face!

I flipped over to the front. Ahhh, a bigger picture of Luma and all of the other chicks. Just from the front I can tell this is gonna be a good one!

I opened it up, and holy shit, it's Devin Taylor! I didn't even recognize her. She is hotter than ever!

We're with V-man C.J. from Pennsylvania. There isn't a door on Desirae we wouldn't want to go through.

My dick got rock hard and the need to "relieve the swelling" became overwhelming. I decided to flip to Devin's pictorial and "finish up" on Lilith's. Well, sorry Lilith, I didn't make it to you. By the time I got to page 21, man I knew that was the page to send me over the top!

Now, if there has ever been a picture you guys should sell as a giant poster that is it! You've had hundreds of great pictures, but I have to say, that single picture ranks in the top five of all the pictures I have ever seen in one of your magazines!

After a short respite, I picked up the magazine again and resumed with Lilith. I was a bit disappointed to see it was an old pictorial. I am one of

those die-hard Lilith fans you speak of, so more of her, too, please!

The rest of the magazine was great. The Clash of the Tit-ans is one of the all-time great ideas in history. Bring it on. Let's do this more often than once a decade. But from the match-ups, I already know who to vote for. Nadine gets this vote. Bozena is great, but what it cums down to for me is if both of these women were in front of me begging for me to fuck them (I should be so lucky) who would I give it to first? Nadine gets my salami!

I look forward to next month's match up, and I promise to give each pictorial my due diligence and to *pole* the constituents! Sorry I couldn't resist the pun! I am predicting an eventual Bea Flora vs. Sharday match up, maybe with Bea getting an upset win!-J.T., e-mail address withheld

### SEXY WITH A CAPITAL "S"

Dear *Voluptuous*,

I'm sure you're going to be inundated with similar e-mails, but I'd just like to tell Ivy (March '06) that here is one guy who thinks she's very special in the looks department.

She made my dreams come true with her August '05 naughty nurse set, and I think she's rapidly evolved to become one of your flagship models. Put her in the 2006 Model of the Year contest, and it would be my pleasure to vote for her. Ivy is Sexy with a capital "S."-K.S., England

### TOO SKINNY?

Dear *Voluptuous*,

The newest discovery, Marilyn, is quite a taste for the eyes. But how can she be both a *Voluptuous* model and a *SCORE* model? I thought in order to be a V-girl, you had to be somewhat larger than a *SCORE* model? The definition alone leads one to believe that a *Voluptuous* woman has many, *many* outstanding curves. Marilyn however is only six o'clock (straight up and down) with large tits. She has no butt, no legs, no arms, no fat anywhere. To match her up against true V-girls is unfair. The size of the tits doesn't determine *Voluptuous*. It's the size of the girl.-T.K., e-mail address withheld

Dear T.K.: True, Marilyn is a skinny one. Still, her tits are astounding. For her boob-power alone, we brought her into *Voluptuous*, though being in *SCORE* does not automatically exclude a model from being in *Voluptuous*, and vice-versa. Nicole,

Continued from page 8

Linsey, Ines, Via Paxton, Lorna Morgan—the list of dual magazine models is long and distinguished. As for what defines Voluptuous, fat is not it. Curves are, and usually, with naturally big breasts, the woman's body is commensurately proportioned, in stark contrast to many enhanced models which, again, is why Marilyn is so remarkable. Will she be one of the Voluptuous greats? Doubtful. Will she be one of the all-time best tit-models? It would appear Marilyn is well on her way.

## NOW THAT'S A TIT-VIDEO

Dear *Voluptuous*,

I recently bought your new DVD *Voluptuous Naturals*, and I'm so impressed and satisfied with it that I felt compelled to write this letter. I wanted to see a high quality and very tit-oriented video, and that's exactly what I got. This video takes what I like to see in *Voluptuous* layouts to a whole new level. The combination of erotic sound, incredible picture quality and very explicit footage is really intense.

Despite being a reader for years, this was the first video I've actually bought because it wasn't about hardcore or masturbation. It was about the breasts, which is why I read *Voluptuous* in the first place. Please consider making *Voluptuous Naturals* its own respective series.—Name and address withheld

## "I'M GOING TO MAKE THIS SHORT AND SWEET..."

Dear *Voluptuous*,

I want more Dusty Rose!

I'm a truck driver, and I get *Voluptuous* at any truck-stop that sells it. When I saw your pictures of Dusty Rose, my woody became so hard, I was afraid to touch it for fear it might break off. Dusty Rose is what all women should be. 'Nuff said.—E.C., Texas

# BIG-BREAST CHALLENGE II

We've called two-time Model of the Year Nicole Peters "The Great One."  
But are her tits great enough to beat a racked-up super-natural like Chaz?

## NICOLE PETERS

## CHAZ

All righty, *Voluptuous*-dudes and dudettes, break out a couple dozen rolls of Bounty and charge up those batteries. Here cum's the Big-Breast Challenge II-16 busty babes going tit-to-tit and nipple-to-nipple until there's only one left standing. This is our fourth first round match-up of this latest and greatest show on Earth, and, we gotta tell ya, our fucking nuts are about ready to explode! We've been looking at so many hot-as-balls pictures of these two superstars, the cum is starting to seep from our eyes. So, enough muckin' around...*Let's get ready to rumble!* In the gold boxes, you all know who she is. Our two-time *Voluptuous* Model of the Year, and the lady our editor sees in his wet dreams more than any other. We don't call her "The Great One" for nuthin'. This is...Nicole Peters. In the white boxes, she's packin' a major rack, a curvy body and was one of the top English super-naturals before Nicole busted onto the scene. She has only one name 'cause that's all she needs. Fire off that 21cc salute for...Chaz.

Although Nicole is the most acclaimed busty babe of her generation, and just on name power and reputation alone many would think Nicole Peters has this one already packed away in her J-cup bra, hold onto your hard-ons, boob-men.

We didn't choose Chaz for a sacrificial ass kicking. This babe is majorly racked-up. And, when it comes to boob power, which is what this contest is all about, she not only has the goods to beat Nicole, Chaz could easily win it all!

As great as Nicole Peters is, when we were selecting Chaz's pictures, your trusty, crusty, Nicole-worshipping editor thought, "Uh, oh, my girl is in deep shit!" That's how much boobage Chaz is packin'. Just because we haven't seen her in *Voluptuous* for a while, doesn't make her any less outstanding. Then, when old B.A. looked through a couple thousand Nicole pictures for pictures like these (tough job, eh?), he remembered why Nicole has won the Model of the Year crown the past two years. She personifies *Voluptuous*.

# "I'm Not Worthy!"

Would any man be with a racked-up super-babe like Carmen?

Erotic Fiction By J.C. RYE

**T**here are two important things about Carmen you need to know right off. First, her boobs are 100% organic. Second, don't call 'em boobs.

I found out about the organic part one chilly Montana dawn as she jacked off my very hot cock between her tits on the tailgate of my truck up in the Bitterroot Mountains. Not that I was at all interested in the implant question given the circumstances. On the contrary, I was so pleased to be where I was—more specifically, to have my cock where it was—that I wasn't thinking about much of anything. However, looking back I can see that rubbing your hard dick up against a pair of big, soft tits is one way to determine whether they're real.

As for not calling them "boobs," I got that lesson about four hours earlier watching Carmen play pool at Nine Mile House, a great steak and prime rib place in the boondocks northwest of Missoula. Carmen was wearing a tight, denim blouse unbuttoned down to her bellybutton, and every time she leaned over to shoot, my crew and I all got an eyeful of Grade A Prime U.S. breast. It was funny how we'd all jockey to be across the table from her when she leaned over to make a long shot.

Carmen had been playing good pool all evening. At the moment, she was whipping my friend, Larry, who was also my partner in a custom log-house construction business, and who, after about five beers, was under the delusion that he was going to get into Carmen's pants at the end of the night.

As she was clearing the table, Larry made some crack about her "boobs" getting in the way.

Carmen was a good-natured girl and not one to take offense easily, but she was ready to put Larry in his place.

Illustrations By OTIS SWEAT

She calmly called her last shot and made it, then deftly swung around in one smooth gesture and pinned Larry to the wall with the chalky end of her pool cue pressing hard against his rather substantial gut.

"Larry, I don't mind you looking all you want. After all, we're friends here. But, please, have the courtesy not to refer to them as 'boobs.' I hate that word. It's just so demeaning."

Larry, who wasn't a bad guy, spluttered, "Well, what the hell do you want me to call 'em, Carmen?"

"Tits is okay, a good, old, Anglo-Saxon word that sounds like what it means," Carmen retorted. "Even 'jugs' is better than 'boobs.' I kind of like 'jugs.' It makes me think of mother's milk. Or you might do something really radical and simply call them, hmmm, I don't know, 'breasts.'"

Right then, she blew all of our minds by pulling open her blouse another notch and flashing her right breast, dark nipple, rose pink tattoo, and all, right in Larry's face.

"But, Jesus, 'boobs' sounds like a dumb blonde, and you know I'm not a dumb blonde. By the way, you owe me five bucks for that game."

She covered her breast, removed the pool cue from Larry's belt buckle, and everybody had a

good laugh, including Larry. But the point was made with me. I immediately removed the word "boob" from my vocabulary, at least around Carmen, except perhaps when referring to Larry.

When she wasn't beating Larry at pool out at the Nine Mile House, Carmen was a bartender at the Silver Dollar bar in downtown Missoula. She wasn't blonde, but rather dark-haired with a smooth, olive complexion that made you think she might be Italian. Actually, despite her looks, Carmen had a Scandinavian last name and hailed from Minnesota farm country. She wasn't really a big woman, but she had a kind of erect way of carrying herself that made her look taller than she was and made those big tits stand out even more. And poured into a pair of tight jeans and cowgirl boots, she had the legs and ass to go with the tits.

Still, until that night at Nine Mile, Carmen had been just a friendly acquaintance, somebody I saw around. But after that pool game, for no particular reason I could see, she and I found ourselves sitting together, then dancing together, then standing outside in the fresh air together. It was a nice night, neither of us too drunk, just enjoying the music and each other's company.

As the hour got later, and the crowd thinned out, we found ourselves together again, still fairly wide awake, despite all of the drinking and partying. Carmen said, "Come on, Kenny-boy, take me for a ride."

Ahhh, what a great Montana tradition. Just like that line from the Willie Nelson, Waylon Jennings song, "Mamas, Don't Let Your Babies Grow Up To Be Cowboys"—the line about "smoky old pool rooms and clear mountain mornings"—there's nothing like stepping out of a Montana bar at closing time and heading up to the high ground to greet the summer dawn. I've done it many times, just never with such an outstanding example of Montana womanhood as Carmen.

I knew a bluff that overlooked the Clark Fork Valley. On a clear night you could see the lights of Missoula more than 40 miles away. I grabbed a couple of bottles of beer, Carmen got her coat out of her Jeep, and we headed out.

Before I knew it, she had scooted across the seat close to me and kissed me on the right ear. "Damn it, Ken, I had such a good time tonight. I hate to see it come to an end," she said.

"It's not ending yet, Carmen. We've still got to see the dawn."

She snuggled even closer up next to me, her left breast pressing against my gear-shift arm, and before long her hand was stroking my thigh real close to my center of gravity. Carmen definitely had my attention.

By the time we got to where we were going, about 15 switchbacks and 2,000 feet above Interstate 90, my cock was aching, and I was hoping for the best. I didn't have long to wait.

"Let's get out," Carmen said. "It's not too cold tonight."

Again, spoken like a true mountain-girl. I mean, yes, it was summer, and the day before in Missoula had been warmish. But Montana is closer to the North Pole than the Equator, and at

5,000 or 6,000 feet elevation, the weather can be chilly any time of year. That didn't matter to Carmen, at least not yet. She picked up the bottles of beer and stepped out into the night.

Unlike in the movies, the moon was not even close to full, but there was enough light for us to walk around and see our breath. Carmen took a swallow of beer and inhaled deeply. I could imagine her fleshy breasts expanding under her layers of clothes.

Being ever the gentleman, I refrained from trying to jump her bones—maybe I figured I'd get the same treatment as Larry. Instead I started talking about places up there where I had camped and fished and hunted—often with Larry, come to think of it.

But to my delight, Carmen cut me off with a big kiss. Her full, lush lips were cool in the night. I pulled her close to me, and enjoyed every second of our embrace. Still, between her coat and my denim jacket and layers of flannel and so forth, we were too insulated to get much out of the hug.

Realizing the situation, we started unbuttoning each other, while simultaneously edging toward my truck. By the time my back came up against the

tailgate, I was inside her coat and blouse and down to sweet, warm flesh, and she had my coat and belt undone, not necessarily in that order.

As I said, summer or not, and Carmen's cowgirl attitude notwithstanding, it was chilly up there. By the time her tits were coming into view, Carmen was ready to admit it. "Holy fucking shit, Ken. It's fuckin' freezing up here. Look at my nipples."

That had been precisely my objective, so I looked. Blouse open, she unhitched her bra from the front, and her two magnificent tits spilled into view—nipples so dark they looked black in the starlight, standing thick, hard and erect in the cold air as goosebumps broke out all over her generous flesh. I smelled the faint aroma of lilac up there among the evergreens.

My cock was aching, and she knew it. With a smile, Carmen reached into my jeans to caress my balls with her cold hands. "Sorry, bud, as much as I'd like to, I'm not taking anything else off out here. It's too cold." My heart sank.

"But let's see what we can do with the resources at hand," she said. My heart rose. "You think you can drop this tailgate?" she asked.

In my condition it took a moment to realize that she was referring to my truck. But I caught on and popped open the rusty tailgate, which made a horrible screeching echo through the night. We both looked around for the serial killer who had to be waiting in the woods to ruin this perfect moment, and then laughed at our own mutual stupidity. As that typically awkward and inevitable moment of silence slowly emerged, Carmen took the initiative and gently pushed me down and back into a semi-sitting position, actually leaning against the edge of the tailgate, my hard cock straining into view.

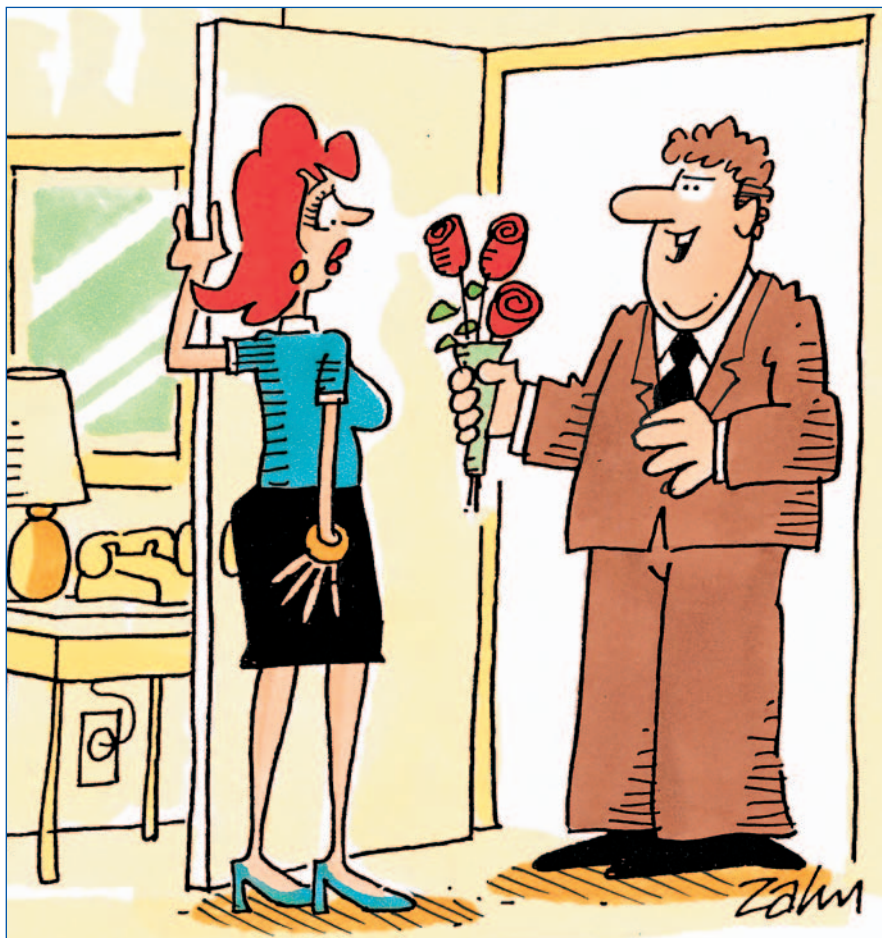

"That's what I was hoping to see," Carmen murmured. "Do you think that thing can warm up my tits?"

Before I could answer, she leaned over and engulfed my rod in her deep cleavage and proceeded to stroke me with the most wonderfully soft and natural tits I've ever felt. I think "velvety" was the word that went through my mind at the time.

I moaned and just about lost my balance, but before long I was moving in sync with her, running my cock all over her tits, raking it across her enormously long, rubbery nipples.

"Jesus, that feels good, Ken, so warm and sexy," Carmen murmured.

# ROMINA

**Are ya  
hard yet?**

Romina's going to be sopping wet, and it'll have nothing to do with that pool water. This Paraguayan super-titter and dildo-stuffer is already a reader favorite, so for those of you wondering why she wasn't our 2005 Newcomer of the Year, all we need to say is...blah, blah, blah. Ya'll aren't reading anyway. For you newbies sitting there picking your jaws off the floor, you might want to drop a few pillows down. The show has just begun!

Her tits are so full and bulbous, and her areolae so well defined, and her dugs so thick and hard, it's easy to see why Romina has come such a long way in such a short time. When you add in her furry bush—a rarity in this era of well trimmed landing strips—and her down-home charm, well, like we said a page ago...blah, blah, blah. There's nothing we can write that is better than what you're seeing.

## BARE FACTS **ROMINA**

**Birthday:** July 5, 1983 **Height:** 5'6" **Weight:** 129 lbs.

**Measurements:** 42-30-38 **Bra Size:** 36E

**Born, Raised and Lives:** Paraguay

**Occupation:** Pre-Med student

**Previous *Voluptuous* appearances:** Holiday '05, Oct. '05, Feb. '05 (debut pictorial)

**Video:** *Titters In Toyland* (X-Rated, available in the Video Club on page 98 of this issue)

Dare we say it?  
Nobody can stuff a  
dildo in her hairy,  
gooey pussy quite  
like Romina. Plus,  
this pre-med stu-  
dent plunges that  
twat-toy so deep,  
she'll need to  
become a doctor  
just to find it.  
Thankfully, that day  
is still a few years  
off, so keep plung-  
ing, Romina, and  
we'll keep staring  
in wonder and awe.

# SAM SPRINGS

**Now, this is one chick we'd love to fuck!**

Back in the June '05 *Voluptuous*, Samantha posed nude for some college spending money. Prior to college, Sam was one of those repressed super-babes, shackled by parents to a life of conservative clothes, Sunday Mass and desperate masturbation. Now, Sam's on her own, studying little (but still popping the 90th percentile), partying her beautiful ass off and, oh yeah, doing a whole lot more than playing with herself. Sam's #1 college goal a year ago was to get laid, and can ya tell by her smile? This girl has made the grade, and then some!

## BARE FACTS

## SAM SPRINGS

Age: 19    Birthday: September 5, 1985    Height: 5'5"  
Weight: 126 lbs.    Bra Size: 34D    Measurements: 38-26-36  
Born, Raised and Lives: London, England  
Occupation: University student and bonerfide super-babe  
Previous *Voluptuous* appearance: June '05

Show of hard-ons, boys? How many of you would love to see this beautiful face looking up at you as she worships the one-eyed god? And, those eyes. Holy Christ. To see Sam's eyes half-lidded in ecstasy, then ablaze with orgasmic frenzy, tits flopping all over the place, tight pussy grinding and gyrating as it takes every inch of man-tool than can fit, then strains for even more. For any of you wondering what Sam's first time was like, that's how she described it to us during a two-hour phone interview. Sultry, sexy English accent and all. Yeah, she came during her first time. Many times, though not as much as we did hearing about it! Thanks, Sam. You made our month.

## Continued from page 24

Then, she deftly lowered her mouth over my cock and proceeded to suck me down her throat as her tits massaged my balls. I started making the longest strokes imaginable—from way down her belly (her blouse continued to work its way open), all the way up between her breasts, into her mouth, and down her throat until her lips were against the base of my cock. All the while she was humming, almost singing, and actually sucking my dick, not just mouthing it.

"Jesus, Carmen, Jesus..."

"Jesus, Carmen." I stood up and buried my hands between her tits, massaging my love lube into her breasts until they glistened.

Naturally, I felt great, but I sure relished the thought of a chance to pay her back for that great blowjob. She seemed to read my thoughts.

After breakfast we each went home to crash, but I was up again by early afternoon. I worked a few hours on a log house Larry and I were building. But long before the summer sun went down, I was back home taking a shower and getting ready for a head start on closing time at the Silver Dollar.

the bar, serving beer to a bunch of guys, including one from my crew, every one of them arching their necks for the slightest glimpse of those splendid tits, which seemed to strain against the fabric of her blouse.

And that was only part of it. Much better than just filling up space, Carmen's tits moved. Depending on what she was doing—bending over, standing up, drawing a glass of beer, popping a bottle cap, ringing up a sale, high-fiving some lumberjack, laughing, adjusting the TV—those tits would shake or stretch or heave or shimmy or just slide around like jelly on toast. I tell you, they were a gift to all of mankind.

"It's going to be an hour or so before I can get out of here, but maybe then we can go have dinner," she suggested.

I'm a patient man, so I didn't come on to her too much while we ate. After all, I was already one excellent tit-fuck ahead of the best place I could hope to be. From this point on, everything was gravy, if you'll pardon the expression.

"Ken, I'm going to tell you straight out. I don't know how much of a future we have—maybe something, maybe nothing, most likely in between. And that in-between part isn't such a bad thing. But while we're giving whatever it is we have time to sort itself out, I think we ought to go back to my place and fuck like porn stars."

A cartoon by R. Crumb depicting a man and a woman in a bedroom. The man is sitting on the floor, looking surprised, while the woman is sitting on a large red pillow, holding a white cloth. A small dog is visible in the foreground. The drawing is signed 'R. Crumb' in the bottom left corner.

# HAYDEN

**Hayden is one nasty, fucking slut!  
And she's damned proud of it!**

Yes, boys and girls, some chicks make love, others fuck, and a rare few take the pipe like they need the elixir of life to stay alive. That last phrase describes Hayden. She's horny, busty and fucking insatiable and the only thing that bothers us about this V-girl is the fact that she doesn't have an identical twin. Hey, nobody's perfect, though Hayden is as close as you can get!

You know a girl is gonna put on a show when her first words through our door are, "I'm ready to fuck!" Hayden actually gets disappointed during solo pictorials, though you would never know it from these pictures. "I just imagine there are thousands of guys out there and they all want to fuck me," Hayden told us. "Then, I start doing all of my favorite 'fuck me' poses, and I fantasize about their big, hard, hot cocks pounding into me, and it gets me so hot I just want to cum and cum and cum. Like right now, I'm touching myself just talking about sex, and, I swear, I'm going to cum any second now." Trust us, you're not the only one, Hayden!

Can this girl assume the “fuck me like the horny slut I am” poses or what? Best of all, we have the DVDs to back ‘em up. Hayden has a couple of hardcore flicks (*Voluptuous Xtra #9* and *XL Xtra #4*) in the Video Club on page 98 where she assumes pretty much every position you’ve seen on these seven pages, only there’s a big schlang rammed deep in her pussy and down her throat. Considering these were her first two hardcore videos, we were actually going to take it easy on her, but Hayden wouldn’t want (or have) it any other way! That’s just the type of busty babe she is, and thank gawd for that!

Perhaps the greatest compliment we can give Veronika is that our long-time editor, Bruce Arthur, has a standing marriage offer to her. True, he has one for Nicole Peters, Nadine Jansen and Ines Cudna, too. However, if babes are judged by the company they keep, Veronika is in some damned good company. Plus, she does XXX, so guys get to inspect the goods before taking the plunge. Old B.A. sure has dropped a lot of guy gravy stroking to V's videos, so maybe that's why Veronika is in such esteemed company. What can we say? He's a man of experience.

## "I'M NOT WORTHY!"

Continued from page 38

told her so. I quickly pulled out my wallet, left a generous tip, paid the bill, and we got out of there. She lived way out on the west side of Missoula. All the way there in my pickup, she stayed snuggled up close to me, rubbing those tits against my shoulder and sort of resting her open hand over my cock.

I was in such a trance I probably would have kept driving all the way to Spokane, but she suddenly became alert, withdrew her hand and soft tits, and told me to take the next right turn. Before I knew it, my truck bounced across her front yard, and I followed

her into the house while a big, old yellow Lab sniffed my boots.

Inside she flipped on the stereo. It was the Marshall Tucker Band's "Carolina Dreaming." An excellent choice. Then, she told me to sit down and make myself comfortable before walking towards her bedroom.

"I'm just going to take a real quick shower to wash off all of that barroom smoke and beer. I won't be more than five minutes, I promise."

What I wouldn't give to be that shower, I told myself. But then I got a grip on my cock, figuratively speaking, and reminded myself that the best thing I could do was just hold still. Sure enough, before I knew it, Carmen re-emerged, wearing a short, silky robe,

steaming slightly from her shower, nipples pressing against the fabric.

From where I was sitting, her legs were silhouetted against the light from the bathroom, and as she stepped toward me, her robe parted, and I got my best view of her yet, from her throat to her swaying tits to her bush, which was thick and dark.

"I am so fucking unworthy." That was what I was thinking, but being totally dumfounded by the vision before me and basically possessing the social graces of a complete and utter moron, the words came out of my lips as I was thinking them.

Carmen giggled at my ineptitude, "Kenny-boy, you're still wearing your jacket and hat. You know, you're welcome to relax and stay a while. C'mon, get comfortable."

As I stood up and took off my jacket, she playfully knocked off my hat, and in one of those smooth motions that can happen with a woman, I took her in my arms, feeling her body through the thin material. Carmen sighed deeply—I guess I did too—and her still-damp breasts pressed against my shirt.

"Come." She led me by the hand into her bedroom and helped me unbutton my shirt and jeans, not that I needed any urging. When I shucked off my boots and stood there naked as a jaybird, cock bobbing half erect, Carmen gave me another appraising look.

"Yes, Ken, I think you'll do." She slipped off her robe and stood there as naked as I was, turning slowly to give me a 360-degree look. Gently juggling her tits in her hands, she said, "Hope I'll do for you."

I said honestly, "I think you must be the best-looking woman I know."

It was true. From her rich, dark hair and square, yet feminine, shoulders, all the way down her legs, Carmen was a total knockout. And those breasts—they had lives of their own.

We fell into her bed, my hands all over her breasts, Carmen's hard nipples pressing against my palms. I sucked them into my mouth and teased them with my tongue, biting very gently. One of my hands strayed down to her dark bush and easily found her open seam, still moist from the shower or from excitement.

Meanwhile, I was acquiring a memorable hard-on, which she could feel against her leg. "That feels good, Ken," she murmured.

"Which part?" I said, taking my mouth off her mammoth left tit.

# MICHAELA

## **The Slovakian Busty-Babe-Next-Door.**

Maybe we're just too horny for our own good, but there's something about Michaela that makes us want to fly to Slovakia and suck on her nipples, lick her pussy, then bang her senseless. We thought she was pretty damned sexy during her July '05 *Voluptuous* debut, and now that we see Michaela again, yeah, we still want to bang her senseless. Something tells us we're not the only ones.

## BARE FACTS

## MICHAELA

**Birthday:** January 9, 1983   **Height:** 5'4"   **Weight:** 132 lbs.

**Measurements:** 40-28-36   **Bra Size:** 36DD

**Born & Lives:** Presov, Slovakia   **Occupation:** Front-desk clerk

**Previous *Voluptuous* appearance:** July '05

Perhaps the reason our cocks are as hard as steel rods is because Michaela is just a regular gal next door who pays the bills by working the front desk at a small ski resort. She isn't some high falutin' porn star who only goes out with guys sporting a nickname like Pronk (part donkey). No, this beauty is accessible and that makes her irresistible.

So, how does one hook up with a chick like Michaela? "Saying hello is a good start," she told us. That would be about a thousand times more gentlemanly than what our lensman did when he saw her puffy shirt behind the desk. He drooled like a Pavlovian dog and stared at her tits. Instead of a slap, he got these pictures. And, the morale of this story is, with regular gals (and even many porn stars), you don't need a line. A voice will do, along with some flattery. Chicks love being desired, especially Michaela. "That's the greatest aphrodisiac in the world. That's why I'm posing. To be wanted and desired, how could I refuse? Honestly, I'd pay to pose, it's that exciting. As far as dating, I don't think I have ever said 'no' to a man. In fact, now that I think about it, no, I have never refused an offer. Anybody asking you out is pretty great, don't you think?" Anybody know what airline flies to Slovakia?

#### **ONE HELLUVA COLLEGE TRY**

Okay, let me catch my breath.

I'm sitting here in my apartment, with fresh cum all over a bunch of napkins because I just had the most surreal, but very real, experience that I had to share with my *Voluptuous*-brethren.

I'm a law student at the University of Miami, and one of my favorite places to eat is this fast food chicken joint called Pollo Tropical. It's grilled chicken, and the Latins in Miami love this place. I think it's okay, but one of the real reasons I go there is because I love Latin women. Big, round asses with tits to match. What's not to love? Yes, I absolutely love big-breasted babes. If there are a pair of big tits within 10 miles, I find 'em. Sometimes I get lucky, but most of the time I just jerk off.

Anyways, I was waiting in line, and right in front of me was this bouncy, round ass that looked like two balloons underneath a pair of stretch pants. I was instantly fixated. With every step this mystery girl took, her ass jiggled,

# **RATED FILES**

up, down, up, down. It was intense.

When she ordered and finally turned around, I looked up and didn't get past her chest. It was fuckin' *huge*. She had on this white stretch shirt with an open mid-riff, and her tits were everywhere. Her nipples were rock hard and endangering eyes. And her fabric was so sheer, I don't even know why she was wearing a top. You could see every love bump on her areolae. You wanna talk about fixated. Somebody behind me

had to tell me to move up to place my order, that's how entranced I was.

After I ordered, I found a place close to her where I could get a good look, but far enough away so I wouldn't come off as too much of a stalker. I ate a little, but mainly I just watched her tits jiggle as she ate. Her nipples remained hard and out there all through lunch, which kept me the same way.

And this leads me to a point of contention I want to clarify for my boob-brothers. That hard nip phenomenon—any chick who says she doesn't know her nipples are hard is full of shit. Believe me, I've asked, and they all know. It's like your dick being hard. So, if a chick has hard nips, stare. Gaww. Drool onto the floor. Even if they act all offended, they're not. They know their nips are jutting out, and they know guys are staring. Best of all, they like it! But, I digress...

After a half an hour of touching my boner more than my chicken, my dream-girl got up, did the trash-can thing and left. Her ass bounced and her tits jiggled with every movement. I swear, I was ready to whip it out and start stroking right there.

I finished lunch in a few minutes. As I was getting ready to leave, I felt a tap on my shoulder. I turned around, and found myself staring at tits. When I looked up, there was my girl smiling. I must have looked like a total moron with my mouth agape, chewed up chicken and all, but I didn't care because I was so happy to see her again.

She leaned forward over me, giving me an even closer look at her endless valley of cleavage. She placed a very official looking business card on the table, stood up, held out her hand and said, "Hi, I'm Marta. Call me."

"I'm...I'm...I'm really sorry. I didn't mean to stare, but..."

She was still smiling at me as I tried to apologize for being a stalker dick-head. Then she cut off my feeble attempts at civility. "What's your name."

"I'm Mike."

"Call me, Mike."

She smiled, leaned in, and whispered in my ear, "Please."

It was only one syllable, but man, was it sexy. Then, she straightened up, smiled, turned and walked away. Her ass played a symphony of eroticism with every step. And, when she turned and did one of those cutsie waves goodbye, I barely even noticed because her nip was saying goodbye, too. Still as hard as granite and stretching that white shirt out a good half an inch,

maybe more. I swear, this chick puts Naomi Watts to shame.

Naomi Watts? King Kong's chick?

That's right, boob-brothers. Do yourselves a favor and rent the DVD for *21 Grams*. Then freeze frame when she's getting fucked. True, Naomi Watts is only packin' B+ or C- cups, not even worth a second glance for a boob-hound like me. But her nips are abnormally long! The longest I've ever seen, and believe me, I've looked.

It was the thought of seeing nips like those in person that got my ass out of the chair like an Olympic sprinter in the blocks. I was out the door just as Marta was pulling out of her parking spot. I ran over to her car, and she was shaking her head and smiling.

I tapped on the window, and as she rolled it down, I held my hand to my ear like a phone and said, "Marta. Hey, it's Mike. I just had to tell you...I do."

Her giggling told me that she thought it was cute, and when she said, "Come on, get in," well, I swear, do any of you guys remember when you saw a tit for the first time—in person, not magazines? If you do, you know what I'm talking about. If you don't, what are you doing reading this magazine?

Anyways, when I sat down, she pulled out of the parking lot and said, "Where to, Mike?"

I was in major Rico-Suave mode, which is pretty good for an average looking, 22-year-old, scrawny WASP, so I said, "There's a Holiday Inn down the street." I finished it off with a wide grin.

She tossed her head back and laughed, giving me another good look at her rack.

"You're quite eager!" she said, giving me hope before she killed it. "But, I really have to get back to work."

"Where do you work?" I asked.

"I'm a lawyer," she said.

"I'm a law student!" I blurted out with glee, as I surveyed her clothes.

"I was at the gym. I have to change."

Why she would change, I had no idea. And as I surveyed her some more, she said, "I was just going to pull over there and slip into my work clothes."

"I'll help!" just flew out of my mouth like it was part of some cool-guy script.

She didn't respond, and when I looked up at her face, I could see she was thinking it over

"How old are you, Mike?"

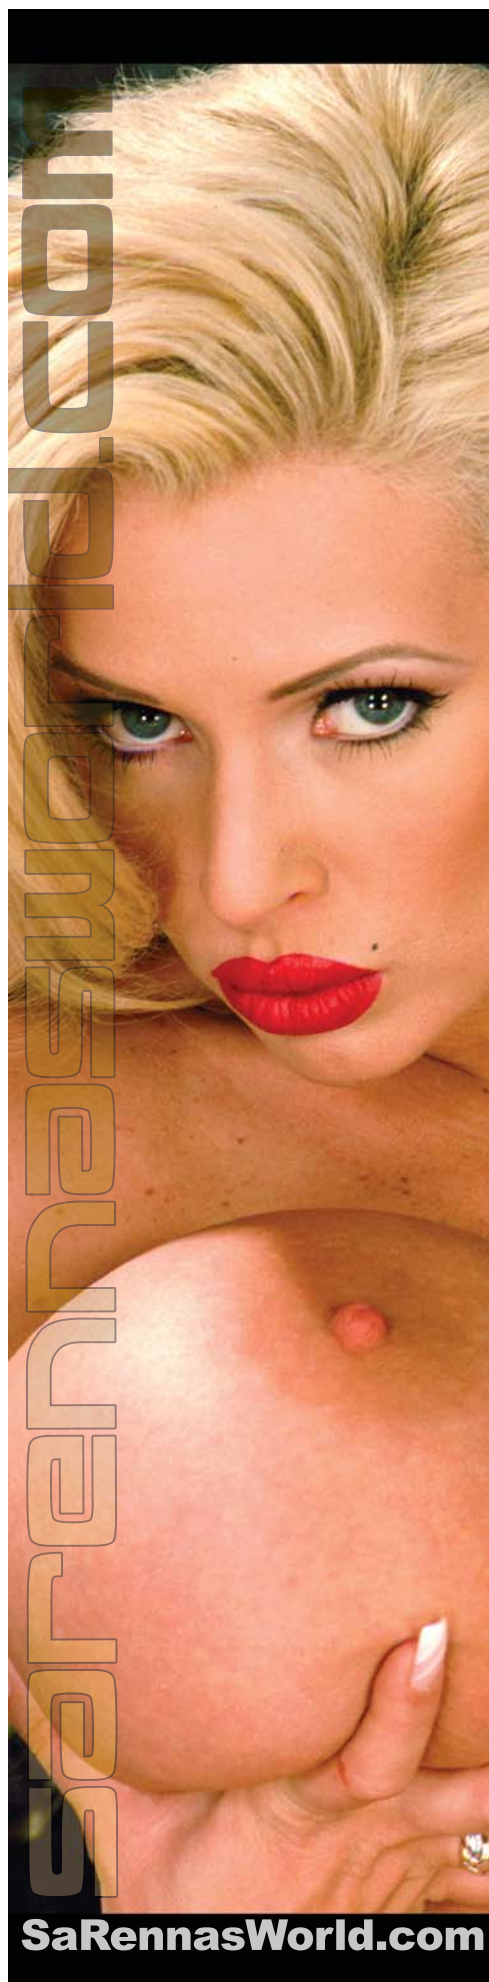

"Twenty two. You?"

"Thirty five."

"But, I'm 35 at heart," I said, not even knowing what the hell it meant.

"No, stay 22, Mike. It's adorable.

SaRennasWorld.com

Okay, what the hell. Let's do it."

She drove across the lot and parked facing the side of a building with some bushes on my side. There wasn't a car within a hundred yards. Then she turned and faced me.

"I can't believe I'm doing this," she said, as her hands slowly rose and gently caressed her breasts. Her hard nipples were poking through the gaps in her fingers. I reached out and placed my hands on hers. Our eyes were locked as I took her top from the bottom and lifted it over her head.

"Holy fuck!" was all I could say.

"Do you like them?" Marta said softly and nervously.

"Fuck yeah! They're incredible."

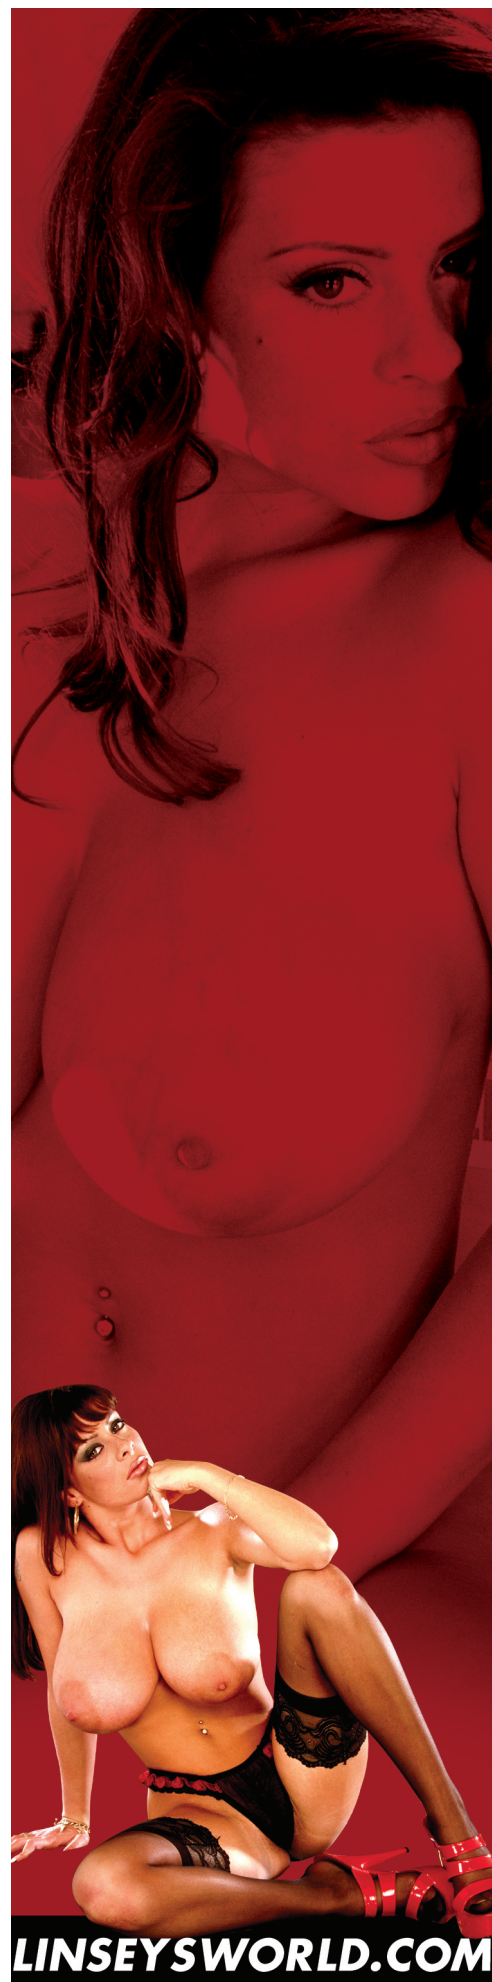

"They're too big. They're...gross," she said, the aura of confidence completely gone from her eyes. She looked away as if she was embarrassed.

"Trust me, Marta. Tits can never be too big. Yours are absolutely perfect."

And here is yet another lesson for titmen. For some reason, gals with big, natural boobs are real embarrassed about them. If you compliment their tits and tell the gal that she's beautiful, *whoa!* They eat that shit up.

So, there was Marta, in her car, topless, with her tits in my hands. I just had to have a taste, so I dove right into her nipple and started suckling like a newborn. Her skin was soft, and her breasts were spongy. I knew they were natural in the restaurant from their jiggle, but in my hands, there was no doubt. Her pancakes were constricted and pebbly, and her nip was...I can't even do it justice. All I know is, if there's a heaven, this better be on the program.

As I circled her nipple with my tongue, Marta's head was tossed back, and she was moaning. One of her hands was running through my hair, and the other was down low. I stole a glance and saw that her fingers were

whirring around in her pants so much, it looked like blender gone berserk.

In seconds, she was breathing heavy, and then she screamed, "Aiiiii!" and she pushed my head onto her chest and her entire body started to convulse then quiver. It seemed to go on forever, and when she finally slowed down, she was panting. She laid back in her seat and her breasts were heaving. Her eyes were closed, and when she opened them, man, I knew I was getting some right there. She dove over that center console thing (thank God Lexus makes them streamlined!), grabbed my head with both hands and started kissing me so passionately, it was like one of those Hollywood, pent-up sensuality movies.

Of course, this isn't a movie where the couple has steamy sex right there in the car. No, in real life, a fucking car parks right beside you. With a gazillion parking spaces, they have to put their piece of shit SUV right beside yours.

I looked over and said, "You gotta be fucking kidding me?"

When Marta looked, that was the end. She reached into the back and grabbed her lawyer clothes and started nervously and quickly getting dressed.

Myself, I couldn't resist. I opened the door, stood up and said, "What the fuck? Dude, we're fucking here!"

"Que? Blah, blah, blah..." was all my non-bilingual mind could grasp.

When I got back into the car, Marta was smiling at me. Fully clothed, mind you, her breasts totally camouflaged by some pin-striped, blue jacket and a puffy shirt. But, she was smiling.

"I have to get back to the office."

Marta could see the abject and very obvious disappointment on my face.

"But, Mike, you have my card. Meet me at my office around seven. We'll finish up where we left off, somewhere with a bit more privacy."

My smile signaled my assent, and her smile told me she was as excited as I was. Marta drove me back to the Pollo Tropical parking lot, gave me one last passionate kiss and waved that cutesie little wave of hers as she drove off.

So, now here I sit. It's five o'clock. I've already pounded my pud twice with no stimulation except my memories. I'm smoking a cigarette as I hit "send" to e-mail this, my first letter to *Voluptuous*, and all I can think of is Marta's thick, rubbery nipples. I can hardly wait to suckle on them again. Two more hours. Just two more hours.

I'd finish by saying, "Wish me luck." But, honestly, V-men, I don't think I'm going to need any.—"Mike," Florida

## "I'M NOT WORTHY!"

*Continued from page 60*

"All of it." I slid up her body, and my cockhead closed in on her cunt like a heat-seeking missile.

Carmen said, "Damn, Ken, you're there," and, placing a hand on my ass, guided me into her.

To this day, I still can't believe how she could be simultaneously so wet and so tight. I don't mean tight as if she was resisting. I mean tight like physically fit, like muscular, like one damn fine fuck. And wet, I swear, that girl was self-lubricating.

I pressed my cock hard, and her seam yielded inch by inch, tits quivering and putting on their own show with every panting breath. Carmen spread her legs wide, and when I was in all the way, she seemed to relax into a swoon. I withdrew my cock and plunged back in, and she responded by bucking her hips, giving me a chance to get a hand under her ass, caressing and cradling one muscular ass cheek.

We rocked back and forth gloriously, then Carmen, breathing hard by now, begged me to go down on her. "God, I love your cock in me, but I need your mouth, I need it bad."

No sooner said than done. I slid back down her lush frame until my face was between her legs. In no time my tongue was gently licking her clitoris, which was erect and easy to find. Carmen was so hot I half expected her to cum quickly, but she seemed to like the process as much as the outcome.

As I ate her out, my tongue rambling the full length of her cunt, Carmen quivered with sexual excitement, her hips rolling and twitching. At one point I came up for air, only to see her pinching her nipples, pulling on them hard, stretching her huge tits to incredible proportions. I tell you that vision alone almost put me over the edge.

But there was some serious fucking to be done here, and, like Carmen, I didn't want to miss a bit of it. I dove back down between her legs and resumed feasting on her gash. To my delight, I discovered that all of our squirming around had brought her brown star of an asshole into close range, and I couldn't resist letting my tongue wander in that direction.

I must have been doing something right because Carmen seemed to go into overdrive, alternately pinching her nipples and stroking her stiff clitoris. I slid one finger into her hot, wet vagina

and gently worked the tip of another into her asshole—and the combination promptly brought her to a full-blast orgasm. She thrashed and moaned, and when she lost contact with her clit, I concentrated on it with my tongue.

"That feels good, Ken," She groaned deeply. "But quit playing around and give me some more of that cock!"

We rolled over so my dick was standing up, and Carmen straddled me, lowering her dripping cunt onto my pole, her lush, huge breasts dangling just within reach. What a feeling and what a view. Carmen bounced gently on my dick, and her tits set up a fluid rhythm that was intoxicating. She tilted back, one hand braced against my leg, and her tits began corkscrewing independently in an alternating pattern I'd never seen done in person or movies.

Meanwhile, my dick felt harder than it ever had, reaching deeper and deeper into her wide open cunt until I literally felt it bump against her cervix. Carmen starting playing with her breasts, pinching her nipples and stretching them way out, the way I had seen her do earlier.

"Do you like that?" she teased.

I responded by thrusting harder and faster. She could tell I was about to blow my load, and she wanted to get the full effect. Carmen suddenly disengaged her cunt from my cock and slid down, taking my length into the valley between her tits and jacking me off with her rich flesh. "You like that, too, don't you?" she said.

"I like it..." Before I could finish the sentence, Carmen slid down the rest of the way, took my cock into her open mouth and finished jacking me off onto her tongue. My jizz dripped down her chin and onto an erect nipple. We collapsed into each other's arms.

The next thing I knew, dawn was breaking. Carmen and I were tangled up in her bedsheets, and she was stroking my beard with her long right nipple.

"Do you like it when I do that?" she asked teasingly, just as she had a few hours before.

In response, I opened my eyes and delivered a bunch of soft, gentle kisses to the tit in question. "You know I do."

With a morning erection under way beneath the blankets, I sucked as much of her as possible into my mouth—with a lot left over.

"That's good," she said. "Believe it or not, I've always been a little self con-

## "I'M NOT WORTHY!"

Continued from page 80

scious about my breasts—like maybe they weren't good enough."

"Not good enough?" I had to ask myself how such a fine-looking, naturally endowed woman could have doubts about her looks—but go figure women. "Carmen, I can't believe how lucky I am to be this close to you."

She sat up and straddled me, her tits dangling provocatively close to my face. "I'll tell you a story. It's a little embarrassing, but what the hell." Something in her tone—as well as the position of her crotch—got my attention. My cock, which was already on alert, became fully erect as she squirmed around on my lap.

"One time back in Minneapolis on a dare—I was only about 19—I tit fucked every guy at a party."

Carmen was directly over my cock now, and she abruptly impaled herself on the full length of my shaft. Her vagina was unbelievably wet and swollen. All I could do was groan, both at the physical sensation and at the mental image of her in action.

"My sister put me up to it—that scamp was always up to no good—told me I didn't have the guts to do it."

By this time Carmen was very slowly raising and lowering her body on my dick, and I was hypnotized.

"We were both a little drunk, and Connie—that's my sister—her tits are actually bigger than mine. You know I'm not one to avoid a challenge."

I responded by driving deeper into her hungry cunt, curious about what I would hear next.

"So I pulled off my T-shirt. I didn't have a bra on. And I told the guys to line up." Carmen bounced a little faster on my spike. "There were some pissed off girlfriends at that party, I tell you what. One after another I took all those cocks right here." She ran her finger up and down the valley between her mams. "And I must say I got results."

I flipped her over onto her back and mounted her, thrusting deeply into her tight twat. "Tell me about it."

"The first guy came super fast—he'd always had a thing for my tits—and the next two guys slithered around in there, jizz all over the place. Somebody had to get me a towel to stay ahead of it." Carmen pressed against my thrusts. As her tits rolled and bounced under my steady fucking, it was easy to imagine them in full action.

"By the fourth guy, my tits were red from all the rubbing, and even with the towel, I was totally soaked with cum—on my nipples, on my face, in my hair."

"How many guys did you do altogether?" I had to ask.

"Eight," Carmen said. "Then for a finale, my slutty sister licked up as much of the cum as she could and dribbled it into my mouth."

That did it. I pulled my overheated cock out of Carmen's cunt and jacked off all over her tits as she tugged at her nipples. A long rope of jizz splattered diagonally from her collarbone to the fingers at the tip of her left breast.

Spent, I collapsed over her sticky tits and kissed her face, and, in the most gallant voice I could muster under the circumstances, said, "I'm honored to spend time with you, Carmen, with every part of you."

**D**uring that week, I entered a new phase of my life. Carmen and I spent as much time together as we could, including an overnight camping trip to the mountain viewpoint where I had shot my first load on her tits.

Then, one day Carmen was gone from the Silver Dollar, and her boss, Louie, who never had much to say about anything, couldn't give me any details about where she was. "Just took a few days off," was all he said.

I was a little worried this whole thing was turning into some sadly romantic movie until that evening when I got a phone call from Cheyenne. Carmen was there visiting her sister, who had moved to Cheyenne from Minneapolis.

"Kenny-boy," Carmen teased over the phone. "Do you think you could see your way clear to get all of the chainsaws and shit out of the back of your truck and drive your horny ass on down here to Wyoming? I've finally persuaded Connie to leave her asshole boyfriend, and she needs some help moving her stuff up to Missoula."

There was a slight pause.

"I told Connie about you, and she's been daring me again. She says we should let you be the judge in a little contest to see who's really got the best breasts in our family."

At that moment, I was transformed into the roadrunner—skidmarks and all. I was out the door, straight to my truck, and the tools started flying all over the place. Within seconds, I was on the road to Cheyenne. Carmen and Connie in a big-tit show. Honestly, I am so not worthy. But, I ask you, is anybody? ①

"I give great tit wanks. Or do Americans say it a different way?" asked Denise during a visit to Miami where this pictorial was shot. "I was a EE on my 16th birthday! ## ONE HOT AND HORNY KITTY!

**June '06 *Voluptuous*-girl Kitty Lee's pussy (and mouth) are getting stuffed with cock!**

Lock-n -load, V-men, 'cause The Horniest Show On Earth is in the house. Yeah, most of you know it as *Voluptuous Xtra*, but that's getting a bit prosaic, what with all of the cock-sucking, pussy-pounding and cum-flying sexxx, especially this month with Kitty Lee, June '06 *Voluptuous* debutante, and one of the horniest chicks we've ever met. Simply put, Kitty craves cock. And this month, she's gettin' it just the way she loves it...balls-deep and in her face!

We actually got to listen to Kitty fuck while these pictures were being taken. No visuals, just sound, and all we could think is, man, this girl's getting off like all women should. Then, when we saw these pictures and all of the fuck-and-suck positions Kitty assumed, oh man, it was Bounty time.

What would a hot fuck-show be without more pictures? If you turn that cum shot page, you'll find more XXX pictures from Kitty's debut video, *XXX Chubby Twats*. Don't worry, the girls' don't have elephant pussies, nor are they fat. It's just a funky title with a stacked and packed and horny line-up, headlined by the raunchiest Kitty we've ever seen!

# NEW VIDEO ALERT

Huge Tits, Raunchy Hardcore and Loads of V-Girls Getting Skewered! What More Could Any Man Want?

**STARRING**  
**Curvy Claire**  
**Sunshine**  
**Kitty Lee**  
**Devyn Devine**  
**Roxie**  
**Ava**

All righty hardcore hounds, here cums a fresh film sporting huge tits and some hot fucking. As for that title, we're unofficially changing it to "XXX Curvy Twats," because these chicks aren't fat. They're curvy and horny and racked up. Kitty Lee (the turn back a few pages), Curvy Claire (left) and Sunshine (right) are packin' big naturals and suckin' long schlangs in this brand-spankin' new all-star fuck- and suck-a-thon!

Not much space, so let's get to it. On this page is June '06 *Voluptuous Xtra* fuck-slut Devyn Devine, who goes after every inch of that fuck-rod like a nympho overdosing on Spanish Fly. Truth be told, you could say that about all of these gals. Ava (June '05 *Voluptuous Xtra*) gets off big-time in her XXX debut. And so does 2004 V-gal Roxie who is so horny, she takes every inch more ways than one. Turn to the Video Club on page 98 to dig in on some XXX Chubby Twats.
